

INVESTBANK'S LEADERSHIP INVITED TO SPEAK AT SSABIS

Las Vegas, 2023 - **InvestBank Corp.**'s Managing Director for Africa, **Dr. Franklin Roosevelt Afotey**, and Executive Chairman, **Mr. Don Christensen**, have been invited to speak at the **Sub-Saharan Africa Business and Investment Summit** ("SSABIS" or the "Summit"). Notable invitees include the presidents of nine African countries: João Lourenço, President of Angola; Emmerson Mnangagwa, President of Zimbabwe; Samia Suluhu Hassan, President of Tanzania; Paul Kagame, President of Rwanda; Julius Maada, President of Sierra Leone; Macky Sall, President of Senegal; William Ruto, President of Kenya; Prithvirajsing Roopun, President of Mauritius; and Hakainde Hichilema, President of Zambia. The SSABIS 2023 Summit will take place on Saturday, September 25th, as a complement to the United Nations General Assembly 2023. SSABIS will be held at Ziegfeld Ballroom, New York City's premier special events venue in Midtown Manhattan.

SSABIS is the premier public-private platform for bilateral economic engagement where Africa's decision makers, select global investors, government officials, C-suite business executives, trade agencies, and other stakeholders meet to create strategic partnerships to promote foreign direct investment in Africa. The Summit provides an opportunity for Africa's leaders, and the representatives of their economic development sectors, to meet select global investors to exchange ideas and negotiate deals to foster economic growth and development across the continent. The Summit will be attended by African presidents and their ministers of economy, development, and trade, government decision makers, global business leaders, the CEOs of major corporations, select global investors, and the representatives of multilateral development banks and U.S. development agencies.

Other notable invitees include: Renee Sanders, Former U.S. Ambassador to Nigeria; Eric Adams, the mayor of New York City; Tobias Adrian, Director of the Monetary and Capital Markets Department of the International Monetary Fund; and Lucia Ipumbu, Minister of Industrialization and Trade for the Republic of Namibia.
